Naples, FL 34110**

**Dear Dean:**

It is my great pleasure to recognize the Florida Suncoast Chapter as a recipient of the 2008-2009 Shooting Star Award. I understand the work and team effort that goes into a successful chapter year, as well as the diligence it takes to track the information requested for the Chapter Stars petition. Chapter Stars Awards will be given out at the Chapter Recognition Luncheon on Monday, June 14, 2010, at ASSE's Annual Professional Development Conference in Baltimore, Maryland. The luncheon will be held at the Baltimore Hilton from 11:45 am to 1:00 pm, where your Chapter will receive a certificate to honor this accomplishment.

As a Shooting Star Award winner, you are identified as an emerging leader amongst the 150 chapters throughout the world with regard to your professional development, chapter communication and superior service to your constituency. You have set your chapter apart as a true performer and you should be proud of your achievements. It is the hope of the Society that your dedication and commitment will continue to grow and thrive through your outstanding efforts.

My hope is that the Society will continue to nurture leaders like you and that the chapters will continue to strive for excellence by following your example. I hope that your term as a Chapter President was only the beginning of your service to the Society and that you continue to thrive as a leader for ASSE on the local, regional and national levels.

Again, congratulations on your accomplishment and an award winning year! I hope to see you in Baltimore!

Sincerely,

**C. Christopher Patton, CSP  
Society President**

**CC: Michael Belcher, CSP  
Region IV Vice President**
